

### WLE Resolution 141223c

#### Modification to Operating Agreement - Winter Lake Estates divided into five Districts.

Whereas, one large community e.g. 156 homes, inhibit grass-roots efforts to stimulate community interest,  
 Whereas, breaking up the community into 5 small regions provide for easier methods to distribute work loads, assure HOA of broader geographic representation and provides more personal interaction,  
 Whereas each small district values needs and issues differently, and  
 Whereas the Trustees are attempting to improve communications,

Be it resolved that

1. Winter Lake Estates subdivision will be divided into 5 Districts of approximately 29 to 32 homes.
2. These Districts are defined as:

District	Name	Addresses Covered	Number of Lots
